# Department of Chemistry Class:- M.Sc.I Sem Paper - 2 Organic Chemistry Name of Professor- Dr.Abha Verma,Dr.O.S.Sisodiya & Dr.Shiksha Gadekar

S.No.	Month	Unit	Topic Coverd	Numb
	Oct	1	Structure and bonding.	Lectur
	W1		Bonding in organic molecules. Delocalized chemical bonding- conjugation, cross conjugation, resonance, Hyperconjugation. Aromaticity in benzenoid and non-benzenoid compounds,	14
	W2		Alternate and non-alternate hydrocarbons. Huckel rule, anti-aromaticity, homoaromaticity. Bonds weaker than covalent bond. Hydrogen bonding, crown ether complexes, and cyclodestrins	
	Oct	2	Stereochemistry.	14
	W3		Chirality, elements of symmetry, molecules with more than one chiral center, threo and erythro isomers. R and S configuration. Separation of enantiomers. Regioselective.	
	W4		Stereospecific and stereoselective reactions. Asymmetire $\pi$ $\pi$ synthesis. Optical activity in the absence of chiral carbon (atropisomerism)- biphenyls, allenes and spiranes, and their nomenclature.	
	Nov	3	Reaction Mechanism.	14
	W1		Types of mechanisms, types of reactions, thermodynamic and kinetic reqirements, and control, Potential energy diagrams, transition states and intermediates, methods of determining mechanisms, isotope effects, Effect of structure on reactivity, resonance and field effects, steric effect.	
1	W1			
	W2		The Hammett equation and linear free energy relationship, substituent and reaction constants. Taft equation.	
	Nov	4	Aliphatic Nucleophilic Substitution.	14
	W3		The SN2, SN1, mixed SN2 and SN1 and SET mechanisms. The SNi mechanism.  Reactivity effects of substrate structure, attacking nucleophile, leaving group	
	W4		The neighbouring group mechanism, neighbouring group participation by $\pi$ and $\sigma$ bonds. Classical and nonclassical carbocations, norbornyl system, carbocation rearrangements.	
17				14
11-1	Dec	5	Conformational analysis of cyclohexanes and decalins.	
gen i	W1		Effect of conformation on reactivity. Conformation of sugar.

## **Internal Assessment Policy**

- ❖ The institution has a transparent mechanism for conducting internal assessments in accordance with the guidelines provided by the university and the Department of Higher Education, Government of Madhya Pradesh.
- ❖ Continuous Comprehensive Evaluation (CCE) for different programmes will be organized following the academic calendar of the academic session.
- ❖ The academic calendar shall be exhibited on the college website to inform the students about the CCE test in advance and start their preparations accordingly.
- ❖ At the beginning of the academic session, students will be informed about the entire procedure, modes, and mechanism of internal assessment during the induction program and initial classes through discussions with their teachers.
- ❖ The Semester Cell will prepare the schedule for the internal assessment of UG programs, while the HODs, in consultation with the faculty members, will prepare the schedules for the internal assessment of PG programmes.
- ❖ The internal assessment will include various modes such as class-tests, classroom seminars, group discussions, objective questionnaires, online quizzes, surprise tests, open book examinations, home assignments, report writing, role plays, and power point presentations.
- ❖ All the teachers will have the freedom to decide the modes of CCE. Head of the departments shall have deliberations with the faculty members and shall inform the students about the mode of CCE.
- The examination schedule will be displayed on the notice board and uploaded on the institution's website in advance.

Office: Civil Lines, Betul- 460001 Tel: 07141- 234244
E-mail: hegjhpgcbet@mp.gov.inWebsite: www.jhgovtbetul.com

- Students will be informed in advance about the units that will be covered in the CCE examination.
- ❖ Attendance of the students appearing in CCE will be maintained and their signatures will be taken on the attendance sheet.
- •
- ❖ The respective teachers will evaluate the answer books of class-tests, assignments, and project reports.
- ❖ To ensure transparency in the evaluation process, the valued answer sheets of the internal assessment will be shown to the students, and their performance will be discussed in the classes. Students will be provided feedback on their mistakes and suggestions for improving their performance.
- ❖ If due to some reasons students fail to appear in the CCE examination, they will be given another opportunity to appear in the CCE examination.
- The internal examination mark lists will be displayed on the departmental notice boards, and the marks will be filled in the online portal of the university.
- ❖ Post-graduate students will be required to complete project work under the guidance of their teachers. The assessment will include a final presentation of the project report followed by a viva-voce examination.
- ❖ As per the guidelines of New Education Policy 2020, UG students will also undertake field projects, internships, and community engagements. The assessment process used for PG projects will be followed for these activities as well.
- ❖ All the documents related to CCE examination including the mark lists, papers, timetables, assignments, projects, valued answer sheets etc. shall be kept safely by the respective Head of the Departments.

## **Grievance Redressal System for Internal Examinations**

After valuation of the CCE marks shall be shown to the students. If students are dissatisfied with the valuation of their answer sheets or assignments; they will be allowed
