Institutional Distinctiveness: Divyangjan Prakoshth (Cell for Differently-abled Students)

"Let my life as a disabled man mirror the endless abilities that reside in us all." - Robert M. Hensel

"Life's challenges exist to fortify our convictions, not to subdue us." - Nick Vujicic

The area distinctive to the priority and thrust of Jaywanti Haksar Government Post Graduate college, Betul is embedded in its vision statement:

“To serve humanity through inclusive, equitable, sustainable, and value-based quality education.”

Upholding this vision, the institution extends its commitment to the students from SEDGs, including those from differently-abled groups, predominantly from the tribal district of Betul and its surroundings. The college fosters a deep sensitivity towards the unique requirements of students with disabilities. In addition to executing numerous government welfare schemes, it has taken strides to cultivate an inclusive and supportive atmosphere for these students.

Divyangjan Prakoshth

One such initiative is the establishment of the 'Divyangjan Prakoshth,'equipped with specialized computers and software. The cell is equipped with Braille books, a tactile atlas, and software such as KIBO reader with features such as text-to-speech, adjustable font size, and access to a broad range of books. This initiative has made knowledge acquisition easier for our students.

Divyangjan Policy

In its pursuit of equality and inclusivity, the college has set forth a comprehensive policy to eradicate discrimination and enhance equality. Details of this policy, as well as the draft of 'The Rights of Persons with Disabilities (RPwD) Act, 2016,' are readily available on our official website.

Skill Development Initiatives:

The institution routinely organizes various skill development programs with the intent of enhancing the unique abilities of our students, bolstering their self-confidence, and promoting self-reliance.

For instance, the institution conducted a four-month-long '**Domestic Data Entry Operator Training Programme**' in collaboration with MPCON Limited, Bhopal. This initiative, under the skill development scheme of the NHFDC (National Handicapped Finance and Development Corporation), Government of India, took place from December 26, 2018, to April 25, 2019.

Thirty differently-abled students signed up for this training programme, where visually impaired students received training through the NVDA application. Expert trainers also employed psychological methodologies during the course.

Throughout the training, students were enlightened about various government beneficiary schemes, and study materials and stationery were supplied by MPCON Ltd. In addition, they received a training stipend of Rs. 5000 from NHFDC. Upon completion of the program, an examination conducted by NHFDC confirmed the successful completion of training for twenty-six students.

Furthermore, the institution arranged a two-day '**Intuition Training Programme for Visually Impaired Students**' in alliance with the Art of Living from December 28th to 29th, 2018.

Cognizant of our social responsibilities, we extended an invitation to visually impaired students from the nearby Padhar School to partake in the training program. As a result, ten students from our college and another ten from Padhar School participated in this initiative.

National Webinar:

Our institution conducted a national webinar on 'Disability Rights and Indian Education System' on January 19-20, 2021. The keynote address was delivered by Sr Advocate Mr. S K Rungta, the General Secretary of the National Federation of the Blind. Distinguished and specially-abled resource persons were invited from the University of Delhi, Central University Hyderabad, and Disability Rights Centre, Mumbai. The enlightening discourse from these esteemed personalities, along with the deepening of the understanding of the students sparked inspiration among the students, motivating them to aim for the zenith. The display of knowledge and confidence by these experts stirred all attendees, including faculty members. Our differently-abled students were praised for their eagerness and enthusiasm during the lively interaction.

Disability Awareness and Sensitisation Programmes:

The institution frequently organises disability awareness and sensitization programmes for its staff and students. This is done to heighten awareness about the challenges faced by these students and foster an inclusive and supportive environment.

Celebration of International Day of Persons with Disabilities:

To promote the rights and well-being of persons with disabilities and increase the awareness of their situation in every aspect of life, International Day of Persons with Disabilities was celebrated on 3rd December, 2021. Many currently enrolled and former differently-abled students participated in the programme.

Visits to Schools and Hostels of Differently-abled Students:

Our teachers, NSS volunteers, and other students regularly visit schools and hostels for differently-abled students to assist them in various ways.

Special Coaching Classes:

The faculty members conduct coaching classes to prepare students for the UGC NET, SET, and other competitive examinations.

Collaboration with External Agencies and Organisations:

Our institution has established MOUs with many institutions and organisations including The Art of Living and MPCON Limited, Bhopal, for vocational training purposes.

Accessible Infrastructure:

The college has made provisions for ramps, specially designed toilets, wheelchairs, and signs for them, ensuring that the campus - including classrooms, libraries, laboratories, bathrooms, and recreational areas - is accessible to these students.

Reasonable Accommodations:

The institution ascertains that differently-abled students are not subjected to discrimination and can participate in academic activities on an equal basis with others.

Scribes and Extra Time in Examinations:

As per government norms, facilities such as scribes and extra time are provided to students during examinations.

Feedback Mechanism:

To continually improve our practices, the institution has implemented a robust feedback mechanism. We regularly solicit feedback from our differently-abled students to better understand their unique needs and concerns. This feedback informs our policies and practices, ensuring they are truly beneficial to those we aim to support.

Alumni Network:

Recognizing the importance and power of community connections, the college has established a strong alumni network. Our alumni, many of whom have carved successful paths in various walks of life, serve as mentors and role models for our students. This network serves as an invaluable resource for our differently-abled students, inspiring them to envision and realize their full potential.

Impact and Achievements

The consistent endeavours of our institution have culminated in an array of accomplishments by these students. Four differently-abled students have qualified for the UGC NET examination. One student has completed his PhD in Hindi, while two others have submitted their theses in English and Hindi. Several students are now serving as Assistant Professors in Higher Education Institutions. Other differently-abled alumni are also holding prestigious positions in various organisations.

With these additional measures, Jaywanti Haksar Government Post Graduate College continues to strive towards its vision of providing an inclusive, equitable, and sustainable, value-based quality education for all.

a) Percentile Scores are normalized scores across multi session papers and are based on the relative performance of all those who appeared for the examination in this subject. The marks obtained are transformed into a scale ranging from 100 to 0 for each session of examinees.

b) The Percentile Score indicates the percentage of candidates who have scored EQUAL TO OR BELOW (same or lower raw scores) that particular candidate in that session.

c) The Percentile scores of a Candidate have been calculated as follows:
 $100 \times \frac{\text{Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared in the 'Session'}}$

Total number of the candidates appeared in the 'Session'

d) The Percentile Score of the Total is NOT an aggregate or average of the Percentile Score of individual papers.

e) Percentile score is not the same as percentage of marks obtained.
