Report on the Training Programme on the Use of Digital Platform

Location : Online
Date : 20th June 2020

Introduction

The unprecedented onset of the COVID-19 pandemic significantly disrupted traditional teaching methods, necessitating a rapid shift to online modes of instruction. Recognizing the challenges posed by this transition, particularly for faculty members and non-teaching staff unfamiliar with digital platforms, the IQAC of JH Govt PG College, Betul, took the initiative to enhance the digital capabilities of its teaching and non-teaching staff.

Background

The global health crisis made in-person teaching untenable. Although the college had initiated online teaching and learning activities, it became evident that a sizable segment of the faculty required further training in using digital platforms proficiently. Additionally, in line with the college's forward-looking vision, there was a plan to organize online webinars and Faculty Development Programmes.

Objectives of the Training Programme

- **Capability Enhancement:** To ensure that teaching and non-teaching staff are adept in the use of online platforms.
- **Webinar Preparedness:** To provide the necessary skills for organizing and conducting webinars.
- **Promotion of Faculty Development:** To prepare the groundwork for future online Faculty Development Programmes.

Conduct of the Training

The college sought the expertise of Prof. Indal Jadhav and Prof. Chaturananda Kedar from Smt. Radhabai Sarada Arts, Commerce, and Science College, Anjangaon Surji, Amravati, MS. Both of them imparted training to our teaching and non-teaching staff. Key areas covered included:

- Conducting webinars efficiently.

- Utilizing and navigating popular apps such as Zoom and Google Meet.
- Best practices for online teaching and student engagement.

Participation

All the teaching and non-teaching staff from JH Govt PG College, Betul, actively participated in this online training programme, showcasing their dedication and eagerness to adapt to the evolving educational landscape.

Outcomes and Subsequent Initiatives

The training programme bore immediate fruit. A testament to its success was the college's first national webinar held on 17th July 2020. This was shortly followed by a grand Six-Day Online International Faculty Development Programme from 27th July 2020 to 1st August 2020. This event saw the participation of renowned speakers from India and other countries.

Conclusion

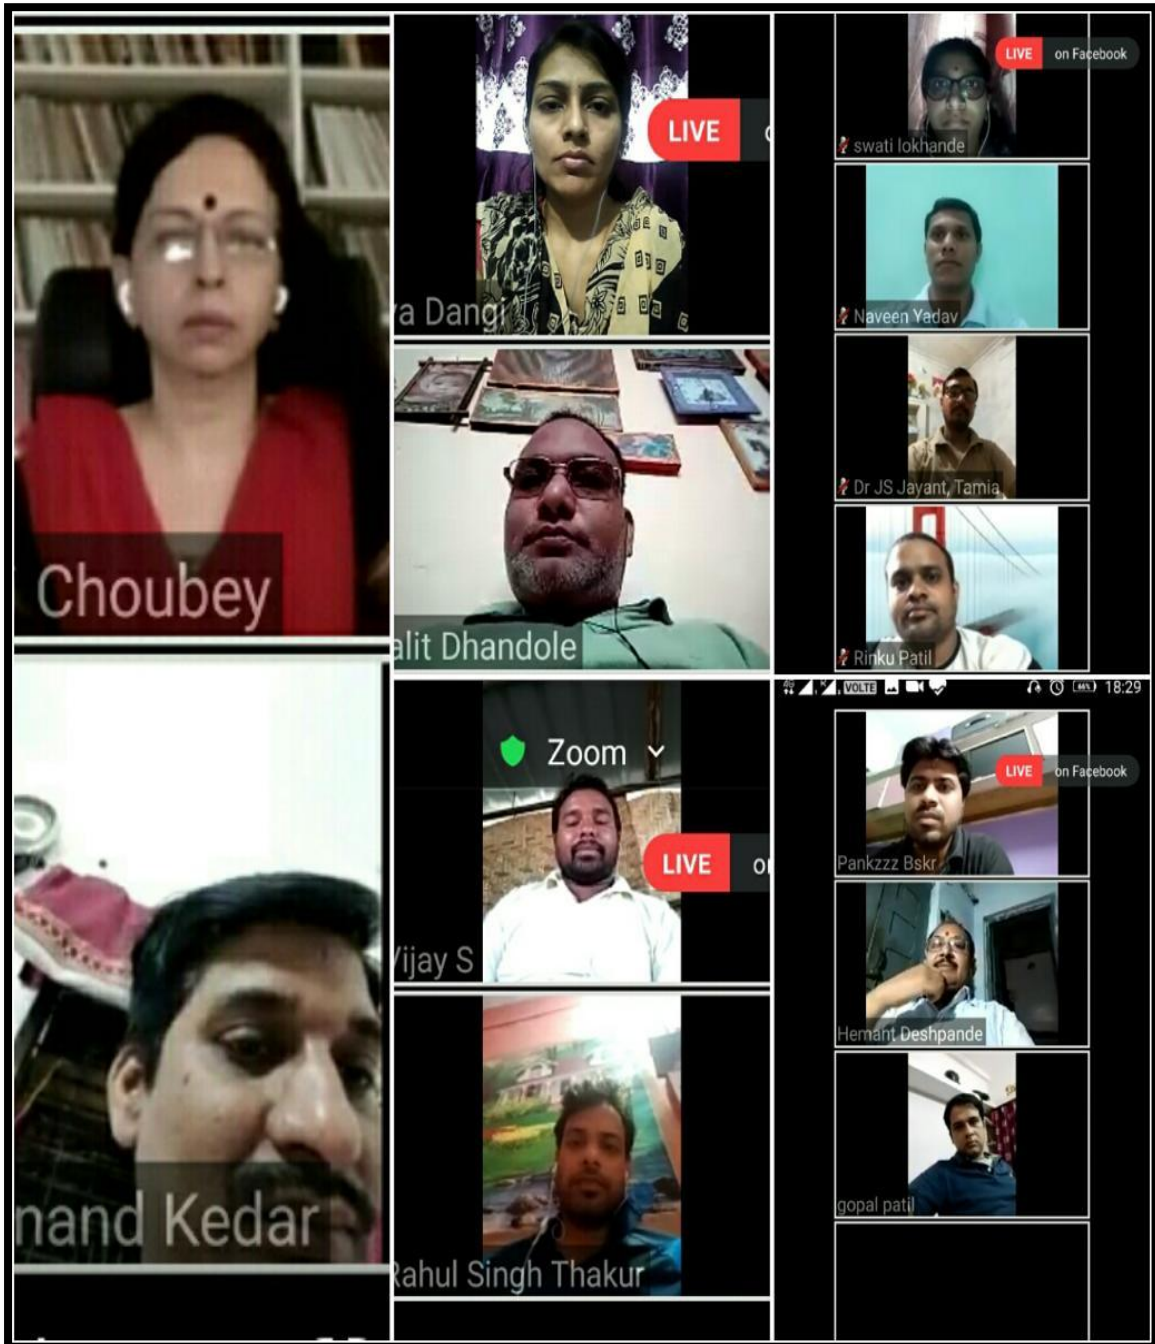

The prompt and comprehensive training on digital platforms ensured that JH Govt PG College, Betul, was prepared to tackle the immediate challenges of the pandemic. Such proactive measures signify the college's commitment to delivering quality education irrespective of external challenges.

Report on the Training Programme: "Creating Google Classrooms and Google Forms"

Location: Online
Date: 24th June 2020

Introduction

In the wake of the COVID-19 pandemic, educational institutions worldwide faced the challenge of transitioning from traditional classroom teaching to online modes. Recognizing this challenge and understanding the significance of online platforms, the IQAC of JH Govt. PG College, Betul, decided to bridge the gap between traditional teaching methods and online education.

Background

With the restrictions brought about by the pandemic, in-person classes became untenable. Educational institutions had to swiftly adapt to ensure the continuity of learning. Google Classrooms and Google Forms have emerged as pivotal tools in this new digital education landscape. They offer streamlined solutions for teaching, learning, and evaluation in a remote setting.

Objectives of the Training Programme

- Empower Faculty: To equip the faculty with the skills to navigate and utilize Google Classrooms for online teaching.
- Streamline Assessments: To introduce Google Forms as an effective tool for student assessments and feedback.
- Enhance Quality: To ensure the college's teaching, learning, and evaluation methods remain top-tier, even in a virtual environment.

Conduct of the Training

The training was helmed by the IQAC Coordinator, who meticulously covered:

- Basics of setting up Google Classrooms, including class creation, inviting students, and organizing class materials.
- Advantages of Google Classrooms for sharing study materials, assignments, and conducting online classes.
- Introduction to Google Forms, highlighting its potential in creating quizzes, tests, and collecting feedback.
- Practical demonstrations and hands-on activities to ensure the faculty was well-versed in using these platforms.

Participation

An impressive total of eighty-three faculty members from JH Govt. PG College, Betul, attended the training session. The participation of the Principal, Dr. Vijeta Choubey, underscored the importance the college placed on the initiative. Her presence served as a motivating factor for all the attendees.

Outcomes

Post-training, the faculty exhibited:

- Enhanced capability in conducting online classes efficiently.
- Proficiency in sharing study materials and assignments via Google Classrooms.
- Expertise in using Google Forms for student assessments, quizzes, and feedback collection.

Acknowledgment by the College

The efforts of IQAC in conducting this timely and crucial training programme were appreciated by the Principal, Dr.Vijeta Choubey. She commended the IQAC for its proactive approach in ensuring the college's academic quality remained uncompromised during these challenging times.

Conclusion

The training programme on "Creating Google Classrooms and Google Forms" was a timely intervention by the IQAC of JH Govt. PG College, Betul. By equipping the faculty with the necessary digital tools, the college reaffirmed its commitment to providing uninterrupted and quality education, regardless of the challenges posed by the external environment.

Report on the Five Day Online Training Programme on 'NAAC Assessment and Accreditation Process'

Date: 25th January 2021 - 30th January 2021

Platform: Zoom

Organized by: IQAC, JH Govt PG College, Betul

Background and Context

JH Govt PG College, Betul had previously been assessed by NAAC in 2016 and was honoured with a B+ grade. As the validity of this accreditation was drawing to a close by 15th September 2021, it became imperative for the college to prepare for the subsequent NAAC assessment cycle. The primary objective was to familiarize the faculty with the revised assessment and accreditation framework put forth by NAAC.

Aim of the Training Programme

The five-day online training programme was meticulously planned by the IQAC with the intent of:

- Educating the faculty about the intricacies of the revised NAAC assessment and accreditation process.
- Encouraging a proactive approach towards quality enhancement in the lead-up to the next assessment.
- Ensuring clarity and understanding of the criteria set by NAAC for achieving optimal results.

Training Schedule and Modules

The training spanned over five days, each dedicated to specific modules:

- **25th January 2021:** Introduction to the Revised Assessment and Accreditation Framework
- **27th January 2021:** Delving into Criterion I (Curricular Aspects) and Criterion II (Teaching-Learning and Evaluation)
- **28th January 2021:** Discussion on Criterion III (Research, Innovation, and Extension) and Criterion IV (Infrastructure and Learning Resources)
- **29th January 2021:** Examination of Criterion V (Student Support and Progression) and Criterion VI (Governance, Leadership, and Management)
- **30th January 2021:** Finalizing with Criterion VII (Institutional Values and Best Practices)

Methodology and Conduct

The online training was orchestrated under the guidance of the IQAC Coordinator, Dr Meenakshi Choubey. Using the Zoom platform, Dr Choubey elucidated the NAAC assessment's particularities, analysing the metrics for each criterion in the manual. This methodological approach ensured that the faculty was equipped with in-depth knowledge of the process.

Outcomes and Feedback

The results of this training were manifold:

- Faculty members were enriched with a deeper understanding of the NAAC assessment process.
- The initiative ignited a motivational spark among the staff, gearing them up for the upcoming NAAC assessment.
- The collaborative nature of the training fostered a sense of unity and shared responsibility towards achieving institutional excellence.

Feedback from participants was overwhelmingly positive. Many expressed newfound clarity and confidence regarding the accreditation process. The senior professors and the Principal of the college lauded the IQAC's quality enhancement initiative, emphasizing its importance for the institution's future.

Conclusion

The Five Day Online Training Programme on 'NAAC Assessment and Accreditation Process' was a commendable initiative by the IQAC of JH Govt PG College, Betul. By ensuring that the faculty was well-informed and prepared, the training not only facilitated a clear roadmap towards the upcoming NAAC assessment but also underscored the college's unwavering commitment to quality education and institutional excellence.

Detailed Report on the One-Day Training Programme on "Revised NAAC Assessment and Accreditation Process"

Date: 13th May 2022

Platform: Zoom

Venue: Online (Virtual Training Session)

Background:

JH Govt PG College had previously been accredited by NAAC, with the validity of this accreditation expiring on 15th September 2021. As the institution embarked on its preparations for the third cycle of NAAC assessment, it was observed that some faculty members lacked clarity on the metrics associated with the seven criteria set out by NAAC. Additionally, with the NAAC manual having undergone revisions, there was a pressing need for familiarization and training.

Objective:

In light of these challenges, the Internal Quality Assurance Cell (IQAC) of the college identified the need for a training programme to bring the faculty up to speed on the "Revised NAAC Assessment and Accreditation Process".

Participation:

The training saw enthusiastic participation from the entire faculty of the college, showcasing the collective drive to understand and align with the NAAC requirements.

Session Breakdown:

- **Introduction:** Dr Meenakshi Choubey, the IQAC Coordinator, started the session with a detailed introduction to the revised assessment process, highlighting the significant changes in the NAAC manual.
- **Deep Dive into Metrics:** Dr Choubey elucidated the metrics of all the criteria, guiding the faculty through the intricacies and nuances of each criterion.
- **Interactive Q&A Session:** This segment allowed faculty members to raise queries and seek clarifications. The IQAC Coordinator addressed these queries, ensuring everyone had a clear understanding of the processes involved.
- **Senior Faculty Insights:** Senior faculty members were requested to share their insights and experiences related to NAAC assessments. They provided invaluable suggestions for the college's forthcoming NAAC assessment in its third cycle.
- **Concluding Discussion:** The day's learnings culminated in an engaging discussion among the faculty, allowing for a collective brainstorm on best practices, potential challenges, and strategic planning for the assessment.

Conclusion and Way Forward:

Dr Rakesh Tiwari, the Principal of the college, wrapped up the session, emphasizing the college's commitment to achieving the highest standards in the upcoming NAAC assessment. He encouraged the faculty to actively participate in the preparation process and assured them of unwavering support from the college administration. The effectiveness of the training was immediately evident, as proactive decisions were promptly made in the subsequent days, aligning with the college's preparation for the NAAC assessment.

Report on One Day Training Workshop on Self-Study Report Writing

Date: 24th May 2022

Venue: Vivekananda Hall, JH Govt PG College, Betul

Introduction:

The preparation of the Self-Study Report (SSR) is a crucial component in the NAAC Assessment process. JH Govt PG College, having previously undergone this process, is no stranger to its significance. Yet, with changing standards and the sheer intricacy of the task, it's no wonder that even experienced faculty members can sometimes find themselves in a conundrum. Realizing the challenges faculty members faced in data collation and report preparation for SSR, the IQAC stepped forward to facilitate a training workshop.

Objective:

The main aim of the workshop was to guide faculty members on the intricacies of writing an effective SSR, especially focusing on the data templates for quantitative metrics and providing clarity on other SSR related reports.

Proceedings:

Dr Meenakshi Choubey, the IQAC Coordinator, spearheaded the workshop. Leveraging a comprehensive PowerPoint presentation, she took the participants through the Standard Operating Procedure (SOP) and various other critical instructions related to SSR writing.

To provide a clearer context and real-world application, Dr Choubey showcased SSRs of colleges that had recently undergone NAAC accreditation. This allowed the faculty to understand the format and depth of information required. She supplemented this with examples of supporting files from some of these institutions.

One of the workshop's pivotal segments was dedicated to data templates. Recognizing the issues faculty members had with these, Dr Choubey meticulously explained the guidelines for filling them out. Stressing the importance of the Student Satisfaction Survey, she also urged the faculty to gather students' email addresses and familiarize them with the survey using posters available on the NAAC portal.

Discussion:

A significant portion of the day was reserved for discussing the future planning for the third cycle of NAAC Assessment. This was an interactive segment, allowing faculty members to put forth their suggestions, concerns, and strategies.

The Q&A session that followed was instrumental. Faculty members posed their questions, to which Dr Choubey provided comprehensive answers, ensuring that no ambiguity remained.

The workshop was graced by the presence of the college's Principal, Dr Rakesh Tiwari, and senior professor Dr Vijeta Choubey. Dr Tiwari, noting the importance of the upcoming NAAC assessment, shared his concerns and motivated the faculty to give their utmost to ensure a successful outcome.

Conclusion:

The workshop served as an invaluable platform for faculty members, equipping them with the knowledge and insights required for preparing a meticulous SSR. The event culminated with a vote of thanks proposed by the coordinator, reflecting the college's gratitude towards everyone involved in making the training workshop a success.

Report on the Training Programme: Use of ICT in Teaching, Learning, and Evaluation

Location: Room No. 16, JH Govt. PG College, Betul
Date: 8th June 2022

Information and Communication Technology (ICT) is becoming an indispensable part of the modern education system. Recognizing its potential to revolutionize teaching, learning, and evaluation, a comprehensive training programme was organized by the IQAC of JH Govt. PG College, Betul. This report outlines the key features of the training and the role of ICT in classrooms.

At the beginning of the session, IQAC Coordinator, Dr Meenakshi Choubey welcomed the Principal, Dr Rakesh Tiwari and all the participants to the training programme.

A total of 94 professors from JH Govt. PG College participated, along with a few from nearby colleges, making it a collective effort to understand and embrace modern teaching methodologies. The preceptors were Prof. Pankaj Baraskar from the Computer Department and Prof. Sheetal Khare from the English Department.

Prof. Khare's session was centred on enhancing the visual and instructional quality of PowerPoint presentations. She shared insights on:

- The importance of a visually appealing PPT in retaining student attention.
- Techniques to use animations judiciously to elucidate complex ideas.
- Design principles for slides, including colour schemes, font choices, and layout.

Prof. Baraskar provided an in-depth understanding of Google Classroom, a popular platform for digital learning and online assessment. His session covered:

- Setting up a Google Classroom: Inviting students, customizing the class theme, and organizing the class stream.
- Sharing study materials, from documents to videos.
- Assigning tasks and homework to students.
- Conducting tests and quizzes within the platform, emphasizing its potential for seamless evaluation.
- Online quizzes and tests that provide instant results and analytics, helping in understanding students' strengths and weaknesses.
- Online feedback through quizzes.

After the theory sessions, participants were given hands-on training, allowing them to practically implement the learned concepts.

The training programme on the use of ICT in teaching, learning, and evaluation was a significant step towards integrating modern technologies into our education system. Participants were well-equipped to harness the power of ICT, ensuring a more engaging, efficient, and comprehensive educational experience for students. Dr Rakesh Tiwari, the Principal of the college, lauded the IQAC for their initiative to bolster the college's pursuit of academic excellence.

Report on the One Day Training Workshop on "Integrated Financial Management and Information System (IFMIS)"

Date: 10th June 2022

Venue: Room No. 16, JH Govt PG College, Betul

Introduction

In the era of digitization, e-governance has emerged as a pivotal tool for seamless and efficient administration across various sectors, including higher education. Recognizing the rising significance of e-governance, JH Govt PG College, Betul, endeavoured to up skill its staff with a specialized training program focused on the Integrated Financial Management and Information System (IFMIS).

Background

Given the rapid integration of technology in administrative processes, there arises a need to ensure that all stakeholders, including teaching and non-teaching staff, are well-versed in the digital platforms and portals that the institution employs. One such crucial platform for financial management is IFMIS, which has various modules essential for everyday administrative tasks.

Aim of the Training Workshop

The primary objectives of this workshop were:

- To introduce the teaching and non-teaching staff to the functionalities of IFMIS.
- To provide hands-on training on different IFMIS modules.
- To empower the staff to independently access and manage their financial and administrative profiles.

Conduct of the Training Workshop

The training was expertly facilitated by the college's finance section's office staff. The various modules of IFMIS elucidated during the training included:

- Provident Fund Management: Overview of tracking and managing individual provident funds.
- Travelling Allowance: Procedures to apply and manage claims for travel allowances.
- Leave Management: Digital leave application and tracking.
- Medical Service: Accessing and availing medical benefits.
- E-Profile: Maintaining and updating digital personnel profiles.
- Service Request: Procedures for raising service-related requests.
- Loan and Advance: Digital application and tracking of loans and advances.
- Grievance: Online submission and tracking for grievances.
- Others: Overview of additional functionalities for comprehensive administrative support.

The hands-on session ensured that all participants were adept at using the IFMIS portal to execute tasks like printing salary and GPF slips and applying for TA and DA.

Participation

The workshop saw enthusiastic participation from all teaching and non-teaching staff of the college, making it a comprehensive learning experience. The esteemed presence of Dr. Rakesh Tiwari, Principal of the college, underscored the importance of the training program.

Feedback and Appreciation

Post-training, the staff members exhibited confidence in navigating the IFMIS portal and performing various tasks. Their feedback reflected a high level of satisfaction and a sense of empowerment.

Dr. Rakesh Tiwari lauded the efforts of IQAC in organizing this crucial training, appreciating the forward-thinking approach to capacitate the staff in the digital landscape.

Conclusion

The one-day training workshop on IFMIS was a crucial step in bolstering the digital capacities of JH Govt PG College, Betul. Such training programs are instrumental in ensuring that the institution remains at the forefront of administrative efficiency, leveraging the power of e-governance.
