Report on the Seminar on Intellectual Property Rights conducted on 8th August 2022

A seminar on Intellectual Property Rights was conducted by Department of Commerce in collaboration with Government of India Patent Office, as a part of AZADI KA AMRIT MAHOTSAV under at Jaywanti Haksar Government PG College Betul M.P on 08/08/2022. The workshop was jointly organized with National Intellectual Property Rights Mission (NIPAM). The seminar was delivered from the college campus. Over 243 participants attended the Workshop along with faculty members of different departments. Participants were welcomed by moderator Ms. Krishna Gosar Assistant Professor Commerce at 10:10 am, followed by initial remarks from Dr. Vijeta Choubey, Professor of History as a guest dignitary. The seminar was inaugurated by Dr. Anita Soni and Dr. Vijeta Choubey at 10.20 am with inaugural address. During his inaugural address she stressed the importance of IPR and its relevance in these times and its necessity for the advancement in research and development in India. Dr. Rajesh Sheshkar presided over the session by highlighting Background of the seminar. Introduction of first speaker was given by Ms. Krishna Gosar. The first speaker Jitendra Choure (Assistant Controller of Patent & Designs NIPAM) spoke on the topic of “Intellectual Property Rights. His lecture started with an introduction to Intellectual Property Laws and spanned across the different disciplines related to IPR. His presentation began with explaining the various aspects of IPR, what is Patent and copy right etc with videos along with power point presentation. He discussed in detail about the topics such as what is copyright? What do we mean by author or creator?’ etc He pointed out that IPR is no more confined to the legal fraternity, but has spread across all disciplines because of which it has an impact and significance on arts, science, commerce, management and business. Patents copyright and trademarks have great significance not only in the uplifting the knowledge economy but also in fine-tuning it. He elucidated the meaning of intellectual use of traditional knowledge with an example. He gave an overview on the importance of legislation in the field of science and arts community, how innovation comes with different disciplines with collaboration research, marketing innovations etc. He explained how to file a patent in India itself with respect to life science, biotechnology, computer science and physical sciences and also in the context of collaboration research. He also briefed on IPR laws in different countries like USA, Germany, UK etc. Then he discussed on different aspects of intellectual properties like industrial design, geographical indication, trade secret, protection of farmers’ rights and researchers’ rights. He concluded the talk by explaining the rationale of protection and the nature of IPR. He emphasized that IPR has to be renewed from time to time for keeping them in force except in

case of copyright and trade secrets. This session went up to 11.40 am followed by 10 minutes of interaction with participants. Speaker was impressed with the query of one of the participants on plagiarism and he gave the tips to reduce plagiarism while writing thesis and

research article. The workshop was concluded at 12:20 pm by a vote of thanks by Professor Ashok Kumar Dabhade, Head of Department of Commerce. The Workshop was highly informative to students, teachers and research scholars. Teachers and students from other departments, colleges, universities and research institutes from different parts of India participated in the seminar. Thus, seminar provided valuable awareness and insights on the various aspects of IPR.
