On the 8th of March, 2022, the Internal Quality Assurance Cell and Department of English at J.H. Government P.G. College, Betul (Madhya Pradesh) organised a one-day online national webinar on "Ensuring Gender Equity through Women Empowerment."

The inaugural session of this scholarly event commenced with a warm welcome note by Principal Dr Rakesh Tiwari, who extolled the myriad accomplishments of women in various fields. Dr Meenakshi Choubey, Professor and Head of the Department of English and Coordinator of the Internal Quality Assurance Cell, in her introductory remarks, expounded on the pivotal role empowered women play in the pursuit of gender equity.

Dr Madhuri Dhote and Dr Nisha Soni gracefully introduced the speakers, ensuring a seamless flow of intellectual discourse.

The first keynote speaker, Professor Shweta Prasad, held the audience's attention with her insightful lecture, "Recalibrating Gender Spaces for Equity." She provided a comprehensive analysis of historical efforts undertaken to achieve gender equity on a global scale. The second distinguished speaker, Dr Gopa Pandey, delved into the "Challenges of Gender Equity in the Future." She explored themes such as gender perception, gender needs, gender in the workplace, gender-sensitive communication, and the Legal Support Guidelines of 1997. Both esteemed speakers lauded the decision of the college to host a national webinar on International Women's Day as a significant step towards gender equity and women empowerment.
